

What exhibitors had to say about WAMEX 2010...

"Once again we enjoyed our experience as an exhibitor at one of your shows, this time as the major sponsor, WAMEX. The expo produced for us a number of strong leads which are quoting on. We also enjoyed some great exposure and caught up with some existing clients we had not seen for a while. We have booked into the next expo and are looking forward to it!"

Raisebore Australia

"What a great expo WAMEX was for us. We received quite a few strong enquires and were impressed with the quality of the visitors. We will be booking your next event without fail!"

Analytical Reference Laboratory

"We generated some business from our outside display at Wamex this year. We were also pleased with our position which allowed us to demonstrate our equipment. Also we were pleased with the quality and number of visitors, some even braved the rain to speak with us."

Domus Access PTY

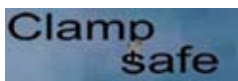

" A very good show! Looking to book another 5 next year."

Jeffery, JW International Group

"Definitely worth while exhibiting at the WAMEX expo, we had a lot of traffic coming through to our stall. Everything and everyone was positive!"

Kevin, Construction Scale Model Imports

"The traffic we received was very beneficial, we made some strong leads including some from overseas which is fantastic from a business point of view."
